Fly-In 2012

Alpes de Haute Provence 21st- 24th June 2012

Europe's largest canyon will enchant us - Les Gorges du Verdon!
But, of course, not just the impressive water and the spectacular gorge and all it has to offer.

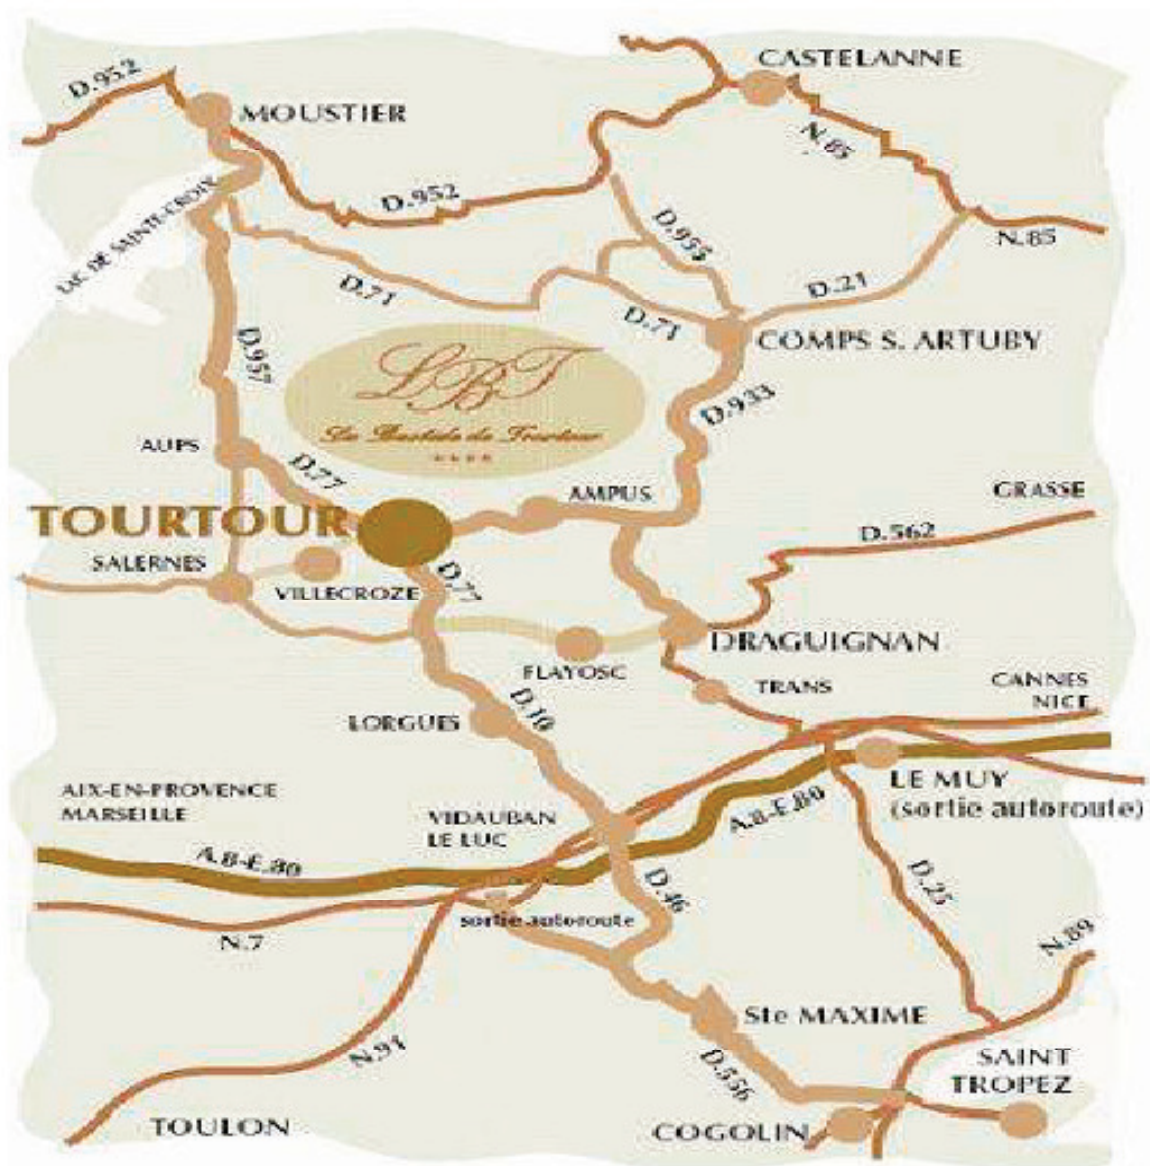

We will be surrounded by beautiful nature, away from the classical tourist paths in Tourtour, our starting point for all kinds of pleasure.

And sporting highlights are almost a must.

Tous les instants se savourent...
Every moment is enjoyed...

In the "Bastide de Tourtour" we will be in very good hands!

This area offers us truly good wine, selected olive oil and above all the delicious black truffle.

Let's see how much else there is to discover!

So please make a note of the dates and look forward to a great trip!

Our Airport destination is Cannes Mandelieu - LFMD.
